EverFocus will participate at AAPEX 2017 with Taiwan Excellence Pavilion

With the increasing importance of telematics and vehicle safety issues, EverFocus is leveraging its outstanding performance and ready to provide superior quality solutions for global buyers. The latest products of vehicle surveillance solution, MDVR-EMV800 FHD, EMV400SSD and wide angle IP camera-EMN468W, will be highlighted at the Taiwan Excellence Pavilion.

The symbol of Taiwan Excellence was established by Taiwan's Ministry of Economic Affairs in 1992, and the Taiwan Excellence Selection was launched the following year. The selection is based on the distinct criteria of R&D, quality, design, and marketing. Products awarded the prestigious Taiwan Excellence symbol, were selected for their cutting-edge innovation, and represent Taiwan on the international stage, serving to strengthen consumer confidence, and continue building a favorable impression for Taiwanese products worldwide. As an award winner for thirteen consecutive years, EverFocus continues to impress.

Please visit Taiwan Excellence Pavilion at booth #8033 and find EverFocus for more vehicle surveillance solution.
